В русском языке глаголы в прошедшем времени имеют специальный суффикс -л: прыгал, играла, гуляли. Такой же приметой для многих английских глаголов в прошедшем времени является окончание -ed, которое может произноситься по-разному. Всё зависит от того, какой звук ему предшествует. Послушай, как звучат глаголы в прошедшем времени,  (144).

1. Если это гласный звук или звонкий согласный (кроме [d]), окончание -ed читается [d]: played, enjoyed, showed, opened, closed.
2. После глухих согласных звуков (кроме [t]) -ed произносится как [t]: watched, jumped, looked, walked, dressed, finished.
3. После звуков [t], [d] -ed произносится как [ɪd]: counted, hated, wanted, skated.

4 Послушай, как диктор произносит знакомые тебе глаголы в прошедшем времени, и повтори их, (145).

[d]	called	played	answered	enjoyed	opened
	closed	cleaned	lived	loved	showed
[t]	watched	jumped	looked	walked	dressed
	liked	finished	thanked	worked	washed

jumped	walked	played	asked	liked
showed	dressed	watched	cleaned	hated
answered	worked	cooked	phoned	listened

Listened, walked, opened, loved, looked, hated, enjoyed, cleaned, played, cooked, wanted, skated, thanked, showed, watched, worked, counted, lived, kissed, helped, skied, washed, closed, asked.

### A Picnic\*

Last weekend the weather was wonderful. It was warm and sunny. On Saturday morning the Barkers finished their breakfast early. They wanted to have a picnic in the park. The park is very nice and big, and the Barkers like to go there in late spring and in summer.

Sally helped Mrs Barker to make some tasty sandwiches and John helped Mr Barker to wash his car. At ten o'clock they were ready for the picnic.

\* picnic ['pɪknɪk] — пикник

In the park Sally and John played badminton. Chase wanted to play the game too: he jumped high. Mr and Mrs Barker walked near the lake under the tall trees and watched the water birds. At two o'clock the family enjoyed the sandwiches with some tea and played lotto together.

At six they were at home. After a tasty dinner they watched a new comedy on television. It was a very happy day for the Barkers.

- 1) Last Saturday the Barkers were ... .
- 2) Sally and John ... .
- 3) Chase ... .
- 4) Mr and Mrs Barker ... .
- 5) In the evening the Barkers ... .

Ты уже знаешь, как построить вопросы в настоящем времени (present simple) и как кратко ответить на них. Если же речь идёт о прошлом, в вопросах и ответах вместо вспомогательного глагола **do/does** употребляется **did**, (150).

Did the children play volleyball yesterday? — Yes, they did.

Did they work a lot last winter? — No, they didn't.

Did she sleep well last night? — Yes, she did.

Did he swim in the lake last summer? — No, he didn't.

В отрицательных предложениях в прошедшем времени также используется вспомогательный глагол **did**:

**did + not = did not (didn't)**, (150).

I didn't meet my friend yesterday.

He didn't come to school in the morning.

She didn't ask her questions.

They didn't like the film at all.
